2025-04-01 Group 4

Scrum Master:
Quinton Grant

Attendees:
- Micah Peltier
- Shawn Crook

Agenda:
- No Code changes from the week before to look at
- Code Changes
  - Expanding the scope of the file to have 250 lines instead of 100
    - Making sure the program loader will NOT accept any more than 250
  - Word size will have to be updated in Memory and CPU and the GUI should reflect that
  - Support of both old and new files
  - Opening multiple files through having more than one window instance open.
- Opened a quick PR to fix a minor pyproject.toml error

Action Items:

- Shawn to allow integer input
- Quinton to update readme and docs
